Thank you for your interest in the MIVE track day held on Saturday April 12th 2008 at Grattan Raceway located at 7201 Lessiter rd Belding MI 48809. Most will be put into the group that you had suggested, unless we felt it would be better for you to be in a different group to start. I can't stress enough how important it is to be there promptly at 7:30am and ready for sign-in, then off to tech inspection. You miss out, you won't be driving until after you've been briefed.

Lunch: 11:00am-Noon
To Be Determined

Tech Inspection/Sign-in: 7:40-8:40am

Mandatory tech inspection will start at 7:40am and run until 8:40am.

Sign-in will also run at this time. You must first sign in to get your car number & sticker.

IF in the event you miss the tech inspection, you will not be able to drive until after break.

Safety:

Your car can NOT be leaking any fluids of any kind. Nothing is to be loose, or falling off. Wheel lugs must be torqued. Brake lights must be working. You must have some type of seatbelt, harness' preferably. You must wear a helmet (Snell 95 or newer not damaged). All loose objects that may fly around must be taken out of your car prior to tech (including floor mats). Although it's not mandatory, we strongly suggest you have your car inspected preferably by a technician if you are not familiar with what to look for prior to 1 week before the event. (please see "Refunds" below.)

Basically, if you think something is questionable, you probably shouldn't drive it on the track.

Please ask if you have any questions.

Drivers Meeting: 8:40am

A mandatory drivers meeting is to follow the tech inspection starting promptly at 8:40am. There are several new people to the track, and several people who need a reminder of safety rules.

DO NOT BE LATE. Flags, safety rules, and other questions will be covered at this time.
